Sharing God's Love; Your Faith Story

Pastor Mike Hall

God's Word instructs us to Go and Tell, and to be His witnesses to the ends of the earth. Together we will discover ways to share God's love and grace, along with Jesus' salvation in our everyday mission world, whether across the street or across the globe.

The Holy Spirit & How to Partner with Him

Pastor Nader Hanna

Before he ascended to heaven, Jesus gave us an IMPOSSIBLE assignment. Impossible for us alone, because He never intended for us to do it by ourselves. He promised to send the Holy Spirit, which He did on the Day of Pentecost — that day the church was born. God, the Holy Spirit, came to stay, to be the comforter, companion and leader of Jesus' movement, and to fulfill what Jesus started and commanded; to "Go and make disciples of all nations" with those who are willing to partner with Him. You will learn more about who the Holy Spirit is, His work in and through us, and how to partner with Him in the work of mission.

What's Your Why?

JoAnne Sloan & Linda Koch

Reflecting on your personal relationship with the LWML will help you make connections with the women in your church. Relationships built on common interests and shared experiences will encourage them to join you in your LWML journey. We will use the What's Your "Why?" Reflection Tool worksheet for this activity. Be prepared to tell your LWML story.

Prayer / Prayer Movements

Pastor Nader Hanna

Then Elijah said to all the people, "Come near to me." And all the people came near to him. And he repaired the altar of the LORD that had been thrown down (1 Kings 18:30). Elijah's first step in healing and restoring a nation was to repair the altar of prayer and worship. It is time we repair our personal, family, church, and national altar of prayer that had been thrown down. You will get instruction and inspiration from God's Word on how to develop your prayer life, personal and corporate prayer, and how to pray Spirit inspired, effective prayers that release God's power to awaken the church and change the world.
